## QUESTIONS and ANSWERS

## **National Service Fraternity**

### ***Spring 2007***

Alpha Phi Omega offers several opportunities to you. We offer you a series of creative situations in which to develop your leadership skills, a chance to build lasting friendships both on your campus and across the country, and a way in which to give of yourself as an active participant in a meaningful service program designed to help others.

Before joining any organization, you probably ask yourself "Is it worth my time?" and "What's in it for me?" This booklet will provide you with more information about our principles, purpose and program. We believe that you will find Alpha Phi Omega is worthwhile and that the opportunities Alpha Phi Omega offers will be a valuable part of your college experience. More than 350,000 students on 720 campuses across the nation have found Alpha Phi Omega to be a rewarding part of their lives. We hope you will agree that you should add your talent and energy to our Fraternity.

## **Ten Questions and Answers About Alpha Phi Omega**

### **WHAT IS ALPHA PHI OMEGA?**

Alpha Phi Omega is a National Service Fraternity composed of college students gathered together in an organization based on fraternalism and founded on the principles of Leadership, Friendship and Service and its aim is to further the freedom that is our national, educational and intellectual heritage.

### **WHO CAN JOIN?**

Membership is open to any student enrolled on a campus where a chapter exists who is approved for membership by that chapter. If there is no chapter at your school and you can provide the time and energy, you would find it immensely rewarding to spearhead the establishment of a new Alpha Phi Omega chapter. To receive more information, call (816) 373-8667 or write to: [chapter.services.dir@apo.org](mailto:chapter.services.dir@apo.org).

### **WHY SHOULD YOU JOIN?**

### **WHAT CAN IT DO FOR YOU?**

College should be more than the acquisition of facts and figures; it should also broaden your experiences, expand and test your inherent abilities, and sharpen your social skills. Alpha Phi Omega, through its unique program of Leadership, Friendship and Service, can add this necessary but often lacking aspect of college life and at the same time enable you to help others while helping yourself.

### **HOW IS THE FRATERNITY GOVERNED ON THE CAMPUS?**

Under the Chapter Articles of Association and National Bylaws, each chapter is its own self-governing organization, electing its own officers and establishing its own operating rules and programs. Each chapter shall have four or more advisors including, at minimum, two advisors from the faculty, administration or staff of this educational institution, one advisor representing Scouting or other youth services, and one advisor from the community. These advisors ensure continuity of operation as the student leaders change and encourage the achievement of fraternal, scholastic and service goals.

### **HOW IS THE FRATERNITY GOVERNED NATIONALLY?**

Alpha Phi Omega is a student-based organization. The supreme authority of the Fraternity is the National Convention, which meets every two years. It is composed of two Voting Delegates from each of the active chapters throughout the nation. Between conventions, the National Board of Directors, elected by the convention delegates, runs the Fraternity within the framework of the Bylaws established by the chapter delegates. Only the National Convention may amend the Bylaws.

### **WHO IS ON THE NATIONAL BOARD OF DIRECTORS?**

Almost all Board members are elected by the student delegates at the National Convention. The Board is composed of the National President, the National Vice President and six other at-large members; eleven Regional Directors elected by chapter delegates in the respective regions; past National Presidents and Members of the Board. In addition, the following are

four ex-officio members: the International Relations Director, the National Archivist, the National Legal Counsel, the National Executive Director, and one representative of the National Council of the Boy Scouts of America.

### **WHAT IS THE OFFICIAL RELATIONSHIP BETWEEN ALPHA PHI OMEGA AND SCOUTING?**

Alpha Phi Omega was founded on Scouting principles. The Boy Scouts of America is represented on our National Board of Directors. However, BSA does not govern, control or finance Alpha Phi Omega in any way, and previous membership in a Scouting group is not required to join our Fraternity.

### **WHAT IS THE ROLE OF ALUMNI WITHIN ALPHA PHI OMEGA?**

"Once a member of Alpha Phi Omega... always a member of Alpha Phi Omega!" Every National Officer and Regional Director of Alpha Phi Omega is an Alumnus. There are several local Alumni Associations active throughout the nation helping chapters and maintaining relationships with Alpha Phi Omega. These associations can be formed on either a chapter or geographical basis. Alumni, individually and collectively, are becoming more involved in supporting and expanding our Fraternity.

### **HOW CAN YOU BE A FRATERNITY IF YOU DON'T HAVE A HOUSE?**

Alpha Phi Omega is unique; it is a Service Fraternity. We use the concepts of fraternalism as a means of providing service, to ourselves as well as to others. The fact that our meetings are held in campus meeting

rooms or our members' apartments or dorm rooms does not decrease our sense of brotherhood. In addition, since we are unique, we have **no** conflict with social fraternities, independents, commuters, dorm dwellers, and social fraternity members. All are welcome as members of Alpha Phi Omega.

### **HOW CAN I JOIN?**

- Ask an Alpha Phi Omega member on your campus;
- Contact the local chapter;
- Ask the Student Activities Office for the name, address and telephone number of the Alpha Phi Omega president or the chapter office (many campuses provide Alpha Phi Omega office space);
- Contact our Director of Chapter Services at:

### **LEADERSHIP IN ALPHA PHI OMEGA**

If society were composed simply of things—books, machines, and gadgets, then a college experience consisting solely of academics would adequately prepare you for life. But, society is people, and whenever people interact with each other, the need for leadership arises. So, Alpha Phi Omega offers a college student the opportunity to practice and develop leadership.

Each chapter is a microcosm of our republican form of democracy, with leadership selected by the majority of the membership. Advisors are just that, people who stand ready to assist your officers. Every

chapter organization has many positions of differing responsibilities, allowing every member the opportunity to lead and allowing for increasing responsibilities as experience and performance merit.

As a "stakeholder" in the National Fraternity, your chapter will select two members to serve as Voting Delegates to the National Convention, the highest governing body of the Fraternity. These delegates have the unique opportunity to resolve the issues that affect our entire Fraternity.

Leadership in Alpha Phi Omega goes beyond your graduation. Opportunities for service in the Sectional, Regional, National, and Alumni spheres are possible and are a fine way to make and continue friendships with Brothers across the nation.

Thus, Alpha Phi Omega **offers you** a great opportunity to grow in leadership as you **give** service to others.

## **FRIENDSHIP**

With so many campus groups from which to choose, students carefully examine organizations on their local campuses. Since 1925 more than 350,000 students have chosen Alpha Phi Omega. Other organizations do service, and other organizations are inexpensive, but no one and no organization does these things the way Alpha Phi Omega does. That is why Alpha Phi Omega is now and continues to be the nation's largest Greek letter Fraternity.

The relationships **found** and **developed** in the activities of Alpha Phi Omega are **indescribably lasting** and indeed something to treasure. They **endure long** after college, long after friends move **apart**, and long after your career develops. The **fellowship** in Alpha Phi Omega is, plainly and simply, the **quality which** has made us the biggest and, we believe, the best collegiate organization in the world.

Alpha Phi Omega wants to share its activities and purpose with you. We want you to become a part of us so that together we can pursue Leadership, Friendship and Service.

## **SERVICE: OUR MIDDLE NAME**

As a National Service Fraternity, Alpha Phi Omega is the only national Fraternity with service as its primary mission. While there is a great diversity in the types of service programs conducted from chapter to chapter, they all serve to make up a great national ministry to human need, conducted exclusively by college students.

Each Alpha Phi Omega National Convention adopts a "Program of Emphasis" for the next two years. All chapters are encouraged to develop service projects, which will be beneficial to these groups.

The first full week in November is designated as National Service Week, when all chapters are encouraged to **conduct** service projects involving other service groups **on** the campus and in the community.

Alpha Phi Omega's program is directed to four areas: campus, community, nation, and members.
