NATIONAL SERVICE FRATERNITY

We use the concepts of fraternalism as a means of providing service to others while developing close bonds of friendship among ourselves. Our chapters develop and carry out projects which help the homeless survive, enable many youngsters to participate in Scouting activities, and enhance campus life.

Every chapter has many leadership positions, with varying responsibilities. This allows every member the opportunity to assume a leadership role. The Fraternity also has numerous leadership development programs which will help you enhance your skills.

Other organizations do service, and there are social fraternities, but no one and no organization does these things the way Alpha Phi Omega does. That is why more than 357,000 students have chosen Alpha Phi Omega since our founding in 1925. We invite you to become part of us so that together we can pursue our common goals.

HELP OTHERS

Alpha Phi Omega's service program will involve you with young and old, on campus and off. You may help with projects ranging from campus-wide cleanups to hosting a party for disabled youngsters.

FORM LASTING FRIENDSHIPS

Alpha Phi Omega will introduce you to many people. You will develop friendships that will last well beyond college.

TURN IDEAS INTO ACTIONS

Each chapter of Alpha Phi Omega develops its own program, based on the interests of its members and the needs of its campus and community. You will have the opportunity to serve as a project leader or chapter officer. This will allow you to develop new skills that you'll use for years.

NATIONAL SERVICE FRATERNITY

"I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve."

— Albert Schweitzer
